

CAAAC Meeting Announcement

The next CAAAC meeting will be held on Friday, November 7, 2008, at 10 a.m. in Room 111 of the Metcalf Building, 1520 E. 6th Ave.

The primary purpose of this meeting is to present the air program fee budget for FY2010 and FY2011. The Department will explain their budget/fee proposals and respond to any questions that you may have related to these issues.

In addition, and as time allows, the Air Resources Management Bureau will provide an update and opportunity for discussion of issues related to Oil and Gas registration rule development for compressor stations, proposed changes to the definition of prompt deviation reporting, and the Boiler MACT (40 CFR 63, Subpart DDDDDD).

The BER agenda and related documents for the October 3, 2008, BER meeting, including the MAR adoption notice for the FY2009 air fee rule and the annual incorporation by reference rule(s) as well as the initiation notice for the proposed Agriculture Exemption and Title V Concurrent Application rules, are now available on the Department's website at: <http://deq.mt.gov/ber/2008Agendas/100308/100308.pdf>.
